Brutal Battles of Vietnam: America's Deadliest Days, 1965-1972

By Richard K. Kolb, Editor

Brutal Battles of Vietnam: America's Deadliest Days, 1965-1972 is VFW's contribution to the 50th anniversary of the Vietnam War. This 480-page book covering some 100 military actions is an outgrowth of VFW's award-winning magazine series called *Vietnam's Deadliest Battles*. Running over seven years, its excellence was recognized with 13 national magazine awards.

Genuinely a one-of-a-kind work, it provides the most comprehensive battle history of the war yet published in a single volume. Brimming with compelling stories, the book focuses exclusively on the perspective of the fighting man. Virtually all of the deadliest engagements are covered concisely. The high drama of the battlefield is felt through words and 700 pictures.

Easy-to-read chapters convey the essence of combat through fast-paced vignettes. Stirring first-person accounts reveal the raw emotions of the men at the tip of the spear. Insiders—actual participants themselves—tell what it was like to be in life-and-death situations. You will learn about both elite and regular units far too often forgotten. Famous battles such as Khe Sanh and Hue appear on these pages. But more important, numerous firefights that you should have but never heard of get long overdue recognition.

Unlike many histories that treat the war as if it ended by mid-1969, *Brutal Battles* presents a complete picture of the fighting to the bitter end. Special features, fascinating sidebars, helpful maps, numerous charts, a listing of the war's most highly decorated veterans, splendid illustrations and the most in-depth combat chronology ever compiled complement the riveting chapters. In all, this book contains a treasure trove of information backed by exhaustive research, making it a must-have reference.

Filled with accounts of amazing human endurance and incredible bravery, here is a book that veterans, military historians and family members alike can enjoy. While ensuring the legacy of those who served, it also makes a wonderful family keepsake.

READER /PEER COMMENTS ON SERIES

"Powerfully written, these stories pull you in and won't let you go. The wordsmith's craft at its finest."

—**APEX GRAND AWARD JUDGE**

"Extremely well written, documented and filled with details of individual's actions and participants' unit movements. The descriptions of valor are particularly fair and poignant. This approach lends strength to each story's authenticity. The truth, in all its raw form, is the only way to learn and benefit from history."

—**DOUG SJOBERG, U.S. NAVY VIETNAM VET**

RICHARD K. KOLB: Publisher and editor-in-chief of *VFW* magazine for 27 years (1989-2016), Kolb worked on this project over 10 years with input from hundreds of veterans. He partially authored and edited *Faces of Victory* (a two-volume history of WWII), *Battles of the Korean War: Americans Engage in Deadly Combat, 1950-1953*, *Cold War Clashes: Confronting Communism, 1945-1991* and *Combat Action: Cambodia to the Balkans, 1975-1991*. Kolb served in Vietnam with the 4th Infantry and 101st Airborne divisions during 1970-71 in the Central Highlands and I Corps as an artillery RTO.
