Reunion

The Reunion

The purpose then and now is to enable survivors of the Ripcord battle the opportunity to meet and talk to others who went through the same hard times. The FSB Ripcord Association held its first reunion in 1986 in Whippany, NJ directed by Chip Collins and John Mihalko. In 1987 Chuck Hawkins put together one on the edge of Washington, DC. Then none were held until 1995 when John Mihalka put one on in Golden Colorado. Since then the annual reunions have been set up by Fred Spaulding with the exception of the 2000 reunion in Shreveport, LA which was honchoed by Jim Campbell. We have been in Fredericksburg, VA, Mobile, AL, Atlantic City, NJ, Savannah, GA, Shreve Port, LA, Charleston, SC, Carlisle, PA, Colorado Springs, CO, Des Moines, IA, Laughlin, NV, Springfield, MO, Indianapolis, IN, Fort Worth, TX, and Myrtle Beach, SC. Some places twice or more. Fred Spaulding has continued for years to find appropriate locations that can accommodate our group needs and budget with assistance from Bob and Red Judd and Lee and Kathy Widjeskog.

Lee and Kathy Widjeskog have handled the registrations and treasury since 2006. They continue to be the face of the reunion when people sign in each year.

Bob and Red Judd are the dependable handlers of the shirt and hat sales at the reunion. They carefully store the clothing and guidons and ensured their proper placement. No small job!

Paul Buhr In the past few years, Paul Buhr (A 2/506) has kindly taken his time to shoot the photos for the yearbook. It takes a lot of one's time to do this work and gives him less time to chat with the guys. Thanks for all your efforts Paul!

Fred Spaulding Since 1995 Fred has been the stead fast arranger of our reunions. Fred has traveled around the country looking for good quality, reasonable locations for the reunions. His efforts make the work of the others a bit easier. His hard work is shown in the quality place we are using.

Coin Presentation

After attending the 1995 reunion, General Harrison decided the survivors of the Ripcord Battle deserved a little more recognition for surviving the battle and finding the courage to meet with others who suffered during and after the battle. He developed a design and had a two sided coin created. The coin shows the firebase and surrounding hills 805, 902 and 1000 which were pivotal to the outcome of the battle. The reverse side has the 101st shield and sentiments. Each year since 1997, a coin has been presented to survivors who are attending their first reunion. In cases where family members of those killed in the battle attend, coins are presented to the family in memory of the departed. The recipient is called upon the stage and cheered by his battle peers as the coin is presented. The pictures that follow show the most recent recipients.

ANNA BRITT NOLAN FOUNDATION

In 2007 The FSB Ripcord Association was informed that author, Keith Nolan had been diagnosed with terminal cancer. The members of the association were moved to see if they could help him. After discussions with Keith, George and Mary Murphy and others felt what Keith wanted most was a college fund for his ten year old daughter. The Murphy's with the support of the association set up a trust fund for Anna Nolan. Over the years this fund has grown and each year we provide additional funds for the account during our annual reunion. Keith's book, "Ripcord" has helped us get together and has aided in the healing process of getting over the losses of our buddies and friends.

The Women of Ripcord

Each year we try to get a good picture of all the women who come with the men of Ripcord. They have provided a strong foundation for the association and for the men. Many of these women have lived through the year in Viet Nam supporting and worrying about their loved ones. All the women were the ones who helped the men re-adjust to civilian life and surmount their memories. Since 2002, they have supported the association by bringing items for the Chinese Auction each year for the benefit of the association. The proceeds have allowed us to keep the registration fees stable since 2003. Thank you ladies!
