

Ripcord Association 2022 Springfield, MO Reunion

In Memory of
Lee Widjeskog

The Reunion

The purpose then and now is to enable survivors of the Ripcord battle the opportunity to meet and talk to others who went through the same hard times. The FSB Ripcord Association held its first reunion in 1986 in Whippany, NJ directed by Chip Collins and John Mihalko. In 1987 Chuck Hawkins put together one on the edge of Washington, DC. Then none were held until 1995 when John Mihalka put one on in Golden Colorado. Since then the annual reunions have been set up by Fred Spaulding with the exception of the 2000 reunion in Shreveport, LA which was honchoed by Jim Campbell. We have been in Fredericksburg, VA, Mobile, AL, Atlantic City, NJ, Savannah, GA, Shreve Port, LA, Charleston, SC, Carlisle, PA, Colorado Springs, CO, Des Moines, IA, Laughlin, NV, Springfield, MO, Indianapolis, IN, Fort Worth, TX, and Myrtle Beach, SC. Some places twice or more. Fred Spaulding has continued for years to find appropriate locations that can accommodate our group needs and budget with assistance from Bob and Red Judd and Lee and Kathy Widjeskog.

Peter and Christine Meloro
Handled the finances, registration and treasury throughout the year.

Bill Boles Greeted everyone upon their arrival at the Reunion

John Fowler did all the preparations and contact with the hotel to make sure all went well.

Frank Marshall manages our website. He coordinates input from Board Members to prepare and distribute our Newsletters. He has been the primary contact person for members seeking information or updates on our Association or Reunion.

Paul Buhr In the past few years, Paul Buhr (A2/506) has kindly taken his time to shoot the photos for the yearbook. It takes a lot of one's time to do this work and gives him less time to chat with the guys.

Chris Courtney, Paul Buhr's Assistant helped Paul with all the photos taken at this year's reunion.

Jim McCoy assisted with greeting arrivals and with sale of books, shirts etc. throughout the Reunion

Coin Presentation

After attending the 1995 reunion, General Harrison decided the survivors of the Ripcord Battle deserved a little more recognition for surviving the battle and finding the courage to meet with others who suffered during and after the battle. He developed a design and had a two sided coin created. The coin shows the firebase and surrounding hills 805, 902 and 1000 which were pivotal to the outcome of the battle. The reverse side has the 101st shield and sentiments. Each year since 1997, a coin has been presented to survivors who are attending their first reunion. In cases where family members of those killed in the battle attend, coins are presented to the family in memory of the departed. The recipient is called upon the stage and cheered by his battle peers as the coin is presented. The pictures that follow show the most recent recipients.

HOSPITALITY ACTIVITY

The Women of Ripcord

Each year we try to get a good picture of all the women who come with the men of Ripcord. They have provided a strong foundation for the association and for the men. Many of these women have lived through the year in Viet Nam supporting and worrying about their loved ones. All the women were the ones who helped the men re-adjust to civilian life and surmount their memories. Since 2002, they have supported the association by bringing items for the Chinese Auction each year for the benefit of the association. The proceeds have allowed us to keep the registration fees stable since 2003. Thank you ladies!

The Men of Ripcord

During October 2022 we were finally able to hold our reunion to recognize the 50th anniversary of the Battle of Fire Support Base Ripcord. Due to the Covid pandemic we were unable to meet in 2020 and 2021. It is a testament to our Ripcord Family that so many of the veterans of that battle and their family members were able to attend and honor our service and the memory of those who paid the ultimate price as a result of that battle. This photo captures the Brotherhood that continues to exist among those who served together during that very difficult time.
