## Website And Email Updates

[www.ripcordassociation.com](http://www.ripcordassociation.com) is safe

Our website ([ripcordassociation.com](http://ripcordassociation.com)) was flagged as “Dangerous” by Google and when opening it, it displayed a dangerous site. I checked the site, along with professional web software developers. I worked hard with developers from our website host, which accomplished nothing. I could not understand the technical terms they continued to give me. So, I switched to another domain name to get a clean slate which is [firebaseripcord.com](http://firebaseripcord.com) and built a fresh, clean website where our original site was being redirected.

In the meantime, I continued to work on our original site that I had for 25 years, [ripcordassociation.com](http://ripcordassociation.com) and worked with the new host’s tech service team. That new site has an AI assistant software program and I decided to try that. That went very well. If you haven’t used an AI assistant, let me tell you, it is scary. The AI talked to me better than the human technicians. It walked me thru everything step by step and if I said I didn’t understand, they explained it in better terms step by step, so I could understand. I was really freaked out at this time.

Google has removed the dangerous warning on the site and our website [ripcordassociation.com](http://ripcordassociation.com), is up and running with no problems.

I built our website in the year 2000 and through those 25 years, I tried to keep it updated with the latest software but technology has changed so much, it is hard for me to do so.

## NEW EMAIL UPDATE

The address for Ripcord mailings will be: [frankmarshall@firebaseripcord.com](mailto:frankmarshall@firebaseripcord.com) Go to your spam folders and mark my email address as safe. I have been emailing our newsletters for many years without a

problem to over 680 members. Recently, gmail and most of the email providers have cracked down on mass and bulk e-mailings. There are a lot of new rules that have to be done by the sender. Most emails sent in bulk go to junk mail boxes. So, I have a new email marketing software program and think I might have one that works best for us.

Please respond to [frankmarshall@firebaseripcord.com](mailto:frankmarshall@firebaseripcord.com) to stay on our e-mail list.

### Ripcord on Facebook

*by Anthony Critchlow*

Welcome to 2026. It's about time to think about this year's reunion lol. Maybe not.

Dennise and I have decided not to come to this year's reunion. It takes a fair amount of money to get there, but we do love where the reunions are held. What a great town to be in. We will be back, but just aren't sure when. At this year's reunion, I challenge everyone attending to take lots of pictures and post on our Facebook page.

Our Facebook page is doing well. We have 1461 members. Your posts keep us going.

So in closing, be safe and have a great 2026.

### From the President

*Bill Boles*

I hope everyone had great holidays and everyone is well. I just wanted to say how much I am looking forward to next Reunion. I hope everyone is as excited as I am.

Ripcord Association Update

by Peter Meloro

Greetings from a snowy New Jersey. During the last two winters we have had very little snowfall in New Jersey but this year has more than made up for it. It is time to update everyone on what has happened since our October Reunion. One item of major significance has been the hacking of our Website and several issues surrounding this hack with Google. It has resulted in many people being unable to access our website and has impacted Frank Marshall's ability to send blast emails via our mailing list. Obviously, this has negatively impacted our ability to keep all members informed and up to date on Ripcord Association matters. For this we apologize. Frank has worked tirelessly over the last two to three months to resolve this issue. His efforts included researching a potential new website domain as well as interacting with Google to enable full access for all members. While some issues remain to be addressed, he is close to having them resolved.

As we discussed at our last Business Meeting it will be necessary to, once again, increase our registration fee for the 2026 Reunion. The fee for the 2026 Registration will be \$150 for each adult attending. The children rate will remain the same. We regret that this increase is necessary but in order to maintain a running balance for future reunions, we have no alternative.

Another item discussed at our Business Meeting was the potential for donations as a result of Required Minimum Distributions (RMD) from 401k Retirement Accounts. Certainly not everyone has these accounts but for those who must make these withdrawals, one way to lessen the tax burden is to donate pre-tax money from an RMD to a Not for Profit Corporation. Thankfully we are a qualified Not for Profit Corporation. If anyone is interested in donating in this manner, please contact me directly by calling 732-947-1664 or email me at peter.meloro48@gmail.com.

This week I actually received the first donation from a Ripcord Member utilizing a distribution from their 401k Account. This donation was for \$5,000 and the member requested to remain anonymous. The Association thanks you for your generosity. Any and all donations are appreciated regardless of the amount. These donations will enable us to continue to hold our Reunions into the future.

I hope everyone is doing well and enjoying a pleasant winter. Stay safe and stay warm. CURRAHEE

I am honored to be a member of the Ripcord Association and I thoroughly enjoy photographing the members at each reunion.

I want to thank everyone who participated in signing the thank you card at this past reunion. It was very much appreciated, as well as the cash inside.

My wish is that we all can enjoy many more reunion events together.

## Lt. Col. Frederic L. Spaulding

April 9, 1940 - December 22, 2025

*Obituary taken from Shirley Brothers Mortuaries & Crematory*

Lt. Col. Frederic L. Spaulding, 85, of Indianapolis, passed away December 22, 2025. He was born April 9, 1940, in Indianapolis, Indiana to the late Walter Leon and Victorene C. (Wysong) Spaulding.

Fred was a graduate of Thomas Carr Howe High School. He received his bachelor's degree from Army College and later his master's degree from the University of Maryland. Fred proudly served his country in the U.S. Army, June 1958 through June 1987 with time being spent in Vietnam.

Throughout his military career, he exemplified the finest spirit of the U.S. fighting man as an Airborne Army Ranger, Pathfinder, Master Parachutist, Raider/Reconnaissance Officer and Special Forces Officer.

Fred served in three combat areas, Dominican Republic, Korea and Vietnam. He commanded five rifle companies, two HQ companies, and three Special Forces "A" Teams. He was selected for the United Nations Honor Guard Duty, NCO of the year (1963), and runner up for the Eighth Army NCO of the year.

As an officer in Vietnam, Fred was asked to take charge of Firebase Henderson, and "lead the way". This location had been attacked during the night by North Vietnam causing multiple KIA/WIA. Firebase Henderson remained under constant mortar attack and heavy arms fire. During this time, Fred called in effective air strikes and evacuated the wounded. He later returned under fire and recovered all his KIA troops to bring them home.

Further in 1970, Fred was selected to plan and coordinate the battle of Firebase Ripcord. Operation Ripcord was one of the last big pushes for the USA to leave Vietnam. He was responsible for all aircraft and fire support during the battle with emphasis on the siege. During this battle, three of the four (OH6A) helicopters were badly damaged and rendered inoperable. The fourth helicopter he used that day was also heavily damaged but was flyable enough to complete his mission of getting all troops out and opening the way for a massive B52 strike. Fred's disregard for his personal safety while under fire, to accomplish his mission, in the highest tradition of the credo; "RANGERS LEAD THE WAY".

Lt. Col. Spaulding received numerous awards including Combat Infantryman Badge, Distinguished Service Cross, Silver Star, Bronze Stars with Valor, Air Medals with Valor, Presidential Unit Citations and Valorous Unit Awards. Fred was a member of Faith Presbyterian Church, Army Rangers Society, Special Forces Association, American Legion, National Pathfinders Association, 82nd Airborne Association, National Infantry Association and VFW.

Fred is survived by his loving wife of 54 years, Micki (Mihye Shin) Spaulding and one brother, Jon Spaulding.

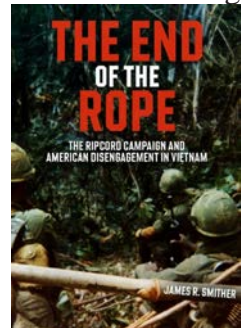

(Note) In the beginning years of the Ripcord Association, Fred Spaulding was very instrumental in finding locations and setting up the annual Ripcord reunions.
